1. 교과목개요 및 목표

Students will have the opportunity to practice speaking in a comfortable and structured environment. The main goal is to build confidence by using textbook lessons, while also incorporating speaking activities relevant to student interest.

2. 수업운영방법

The method of teaching will involve putting students in situations where they can practice speaking with both instructor and peers. Based on the specified textbooks, students will be encouraged to role-play, and interact with multimedia.

3. 과제물

Attendance 20%; Participation 10%; Homework 10%; Mid-semester exam 30%; Final-semester exam 30%.

4. 평가방법

Assessment will include speaking tests, homework, in-class speaking projects based on the textbook, listening assessments, and teacher observation and feedback.
